A girl who worked for Probate Judge?

\* Mildred McCurdy's cousin, later in Topeka (blond) —  
Isabelle Kent? *no Mrs. Coffman's class*

Edith Clemens

\* Mildred had two cousins who were here for a time  
I don't know how long; Irma Davies, a nurse  
and Edith Clemens, a decided blond. Both  
attended our church but I didn't know them  
well. I recall that Ed Johnson was very  
much interested in Miss Davies the  
nurse and Carroll used to talk about  
her a great deal.
