To Whom It May Concern:

It gives me pleasure to say that I have known Harry George Wampler for the last sixteen years.

His parents, Mr. and Mrs. S. E. Wampler, have been active members of the Baptist Church to which I belong.

Harry is a graduate of Lawrence Memorial High School. I believe him to be honest, intelligent, and with promise of a good future, and I am glad to recommend him.

Respectfully submitted,

WCS:DMF
