

Mrs. C. H. Hoinville,
1-6-'42,
Page #2.

P. S. In a letter of congratulation Mrs. Wallace, Publisher of the Tiller and Toiler at Larned, asked if my sister had not written a story "The Purple Shawl". In reply, I told her that you had and that you had just written another booklet which you would probably send her, but if not, for her to write you and I gave her your address.
