Dear Charles:

Realizing that you have had a lot of expense at this time, I gave a check to Rumsey Brothers dated December 20th for \$142.00 to balance your account. The total charge for their services had been \$152.00, but they credited you \$10.00 for the box used in shipment, making the net balance \$142.00.

I have my Christmas buying practically complete. I hope that everything is moving along nicely with you.

Naturally Julia is on my mind a great deal.

Love to all,
