

December 2, 1943

Mr. L. A. McNalley
Minneapolis, Kansas

Dear Mc:

Aunt Grayce, Mrs. Don A. Freeman,
sent me today the two enclosures here-
with which she said had been received
on November 29th.

I will be glad to have you read
them and take such action as you deem
best.

There is nothing especially new
here.

Love to all,

ENCS.
