Mr. Arthur J. Paakkonen, Assessor
Route 5, Gull Lake
Brainerd, Minnesota

Dear Sir:

We have received a personal property statement which we return herewith.

The list of property as given for 1942 should apply at this time subject to any discount for depreciation. To the best of my knowledge and belief, there have been no additions to our personal property, Route 3, Gull Lake, since our last assessment.

It would be extremely difficult for me to list the property there from memory.

Respectfully yours,

W. C. Simons.
