

- Two -

We love you a lot and have the sort of confidence in you that makes us believe that you can do well anything that you really set your mind to do.

I think your dad is probably happier in his work now than he has ever been before in his life because now he is the mainspring of the business. He has gone all over the U.S. to see the big boys and has been able to get their names on the dotted line. Undoubtedly he is a master salesman.

Marilyn seems to be getting along nicely with her broken ankle and has resumed her school work. One of her teachers with very great consideration is giving her private instruction on the first floor to keep her from having to climb two or three flights of stairs.

You have a couple of mighty fine sisters.

Hit the old ball on the head, put all you have into your work, and it may stand out in after years as one of the most pleasant experiences of your life.

Lots of love and best wishes;

Your Grandad,
