

Page Two

will either be over or at least will be over as far as Germany is concerned. With nests of Japs scattered all over the Pacific, we have a problem on our hands. Perhaps if the "son of heaven" is sent to hell with his clothes on and a lot of his minions with him, it may release the living Japs from religious, mental and physical servitude.

Give our best regards to Mrs. Jack and her charming little daughter.

Lots of Love

Your Brother
