Dear Mr. Simons
and Mr Murray;

Do you remember this old
lady? This is my war job you
see, now. Thought you'd like to
know I am still able to do
something if I can't get around
out of the house.

How are all my Journal World
friends! Sorry. I can get to see
them any more. Mrs Kinnaman
is holding copy on the "Star" in K.C.
now. Her 2 girls are in California
The oldest married to a "Flyer". And
Charlie just as dear as ever.
You might put this in your morgue.

Sincerely

"Mother" Cordry.
