Dear Charley,

Wanting to be prepared should the end come to John, I took the matter up with a local undertaker, who has given me a card: Arntzen, Inc., 810 N. Clark Street, Chicago, Illinois. Phone SUPERior 0056, so that in the case of John's death you could call this party and he would take you to the office of the casket company where you could pick out a casket.

Please pick out something that is suitable, neither trying to take the cheapest or the highest priced. Have the body shipped to T. D. Funk, Undertaker, Lawrence, Kansas. The shipment can be made in a plain box as we shall secure the vault here.

We appreciate very much indeed your kindness and thoughtfulness.

It has turned cooler today, but we have not yet had a frost. Hope you can pay us a visit.

With love,

Your brother,

WCS:jl
