

CLARK THE HATTER

Kansas City, Mo.

September 20, 1944

Mr. W. C. Simons  
The Lawrence Daily Journal-World  
Lawrence, Kansas.

Dear Sir:

Your Letter with referen~~ce~~ to the White <sup>H</sup>at. We will be unable to tell you whether it will bleach out with out first seeing the hat. It seems sbrange but very few cleaners are able to do the job correctly on a white hat. In fact very few cleaners are able to do the job right an any hat. It takes a regular hat man to do a hat. Our cost on hats is \$1.25 including postage, so if you will mail to us we will be glad to tell you whether or not we can help it.

Sorry you had such bad luck with it as it is impossible to even buy them today.

Yours truly

*V. Clark,*

Clark-White Hat Co
