Mr. Chris Kraft  
1818 Mass. St.  
Lawrence, Kansas

Dear Mr. Kraft:

I have your courteous letter of September 13th, which I appreciate. I am glad indeed that you and Mrs. Kraft are happy in your home and in Lawrence in general, and I can assure you that I would not wish to buy your property at any price if such sale would cause you to leave the city. As it is I shall drop all consideration regarding such a purchase.

Mrs. Simons and I have wished to call upon you some time, but we find it hard to make all of the calls that we should. We shall try, however, to call and extend personally the welcome that we have for you as citizens and friends.

Sincerely yours,

W. C. Simons
