PERSONAL

Mr. Chris Kraft  
1818 Mass. St.  
Lawrence, Kansas

Dear Mr. Kraft:

For the past twenty-seven years I have lived on the extreme south end of Vermont Street about a block south of the highway, to which we have given the rather indefinite number of 2500 Vermont.

None of our children are now at home, and Mrs. Simons, having been injured in a fall four years ago, does not get around quite as well as she did formerly. For that reason we have given some thought to moving into town.

I have never been in your house, but it has an attractive appearance. If you would be interested in a sale or an exchange, please let me know.

I think we have one of the most attractive and one of the best built homes in Lawrence.

I shall be pleased to hear from you.

Very truly yours,

W. C. Simons
