

DR. J. RUSSEL WICKEY
29 Public Square - Phone 131
BELLEVILLE, ILL.

While carrying my arm in a sling
I thought I would do some visiting.
I went up in Mich. to see Mrs Millar. she
was the eldest daughter of Joe Raymond
the man I lived with. She is 83 yrs
of age very hard of hearing so I cut
my neck short and stopped in Chicago
for a week

Mrs Millar told me a book was published
what do they call it 'social. Regals'? She
said Frank Mason's library was in there.
Some information might be gotten there
