BELLEVILLE, ILL.

She did not know the date but I
should judge 'twas around 1890 or
thereabouts. The first time I go to
visit Ray my half brother I shall
look it up. He lives nine miles out
of Kankakee. Frank Mason lived in Kankakee
Co. My family are all out on
the ranch. I am going out (Christmas)
and if I can get gas will drive home.
John is in Sandberg & Gayer is in Orcutt four
miles from where her husband is stationed
