Dear Mr. Clarkson,

This is in answer to your's of the 21st, to our neighbor and friend, Mr. Simons, who had to go earlier due to pressing business, and he is allowing us to have the Drawing-room reservations made for September 4th, for which check is enclosed, to be filled in and also our return stubs, to be mailed back with the drawingroom tickets as per request.

We are releasing the upper 8 which you are also holding. We and Mr. Simons thank you and wish to show our appreciation. Please write us the amount you fill in the check for, so we can put it on our stub.

Very respectfully,
