

Dear Mrs Baldwin:-

In your tree, blossoming
with brilliant flowers of good
wishes; may this expression of my
regard be at least a little bid -

Our acquaintance with you and
Colonel Karl is one of ^{the} pleasant
experiences that makes life worth
living -

With your courage, pure life
and naturally vigorous body, I am
sure that your recovery will
be certain and not long delayed.

May the good Lord bless you
and keep you, awaiting the
return of your Prince Charming -
Colonel Baldwin

Cordially yours

W B Simon
