

Well, we didn't win either a football or basketball tournament this year, but we did play the game manfully and with credit.

I always let Dolph read your letters as he is glad to hear from you. I think that you will be glad to know at the District Convention held Monday of this week in Ottawa, Dolph was named as a delegate to the Republican National Convention to be held in Chicago. I hope there will be many men like Dolph at that convention and if so, we shall present a candidate worthy of the honor and competent and willing to serve the nation and to preserve our form of government.

I am always very happy to hear from you, and once more if there is anything that we can do at anytime for you, we shall be glad to have you let us know.

Sincerely,

W. C. Simons
