Dear Kathryn:

I was glad to receive your card of January 5th. I hope you are getting along nicely.

I have recently had a very good letter from Calla Gregg.

When you write me again, will you please give me the address of Loren Cowdy? They passed thru Lawrence some years ago and stopped at the office momentarily when I was out of town. I also had stopped and inquired about them at Holton, Kansas, but failed to find them.

I think it is a beautiful tribute that your nieces are making to your mother. I think of her as a devoted, intelligent and practical Christian.

Lovingly,

Your Cousin
