

from 1825- and at agreed
upon 6% interest, now I can't
lose all that interest, but I
am willing to take a 2%
settlement, even tho it is costing
me 6% for 20 yrs - 3000 @ 2% for 1 yr
would be \$60⁰⁰ and for 20 yrs - \$1200⁰⁰
which I can't afford to lose, don't you
really think, a part cash and bal-
in shares of stock, would be
about the only ~~fair~~ fair thing to do?
