I shall write soon about 7200 Aunt is so nervous
I cannot leave her long. I wrote the other
late last night and between neighbors' calls.

The ally expense \$529.20 was included
in the \$16,973.05 but they make me split on
interest. I hope we shall make enough on
our second deal to heal our wounded
spirits. I am offering it at ^{now} \$50,000 but
would take less. I have a ^{string} guarantee policy
on it which is now coming down in my
name at an expense which should be small.

When I see you I shall show you
canceled checks or stubs etc.

There will be a positive boom on Exchanges
in the spring. I wish I had money enough
to hold onto longer ~~and~~ to buy more.
