

Chicago Sept. 25th 1945

Dear Collie:

The enclosed for you to note and return. I heard from Grayce and she and Don may spend some time with me this winter. Mary Jule expects to be home around November 1st, or before Thanksgiving, and Norman, who has been made Sgt. is looking for his discharge papers any day now.

Expect to get the stock certificates any day now and will send them all to you.

Love Bro. Chas.
