Mrs. Simons and I have been fortunate in enjoying good health, and when the war closes, we anticipate traveling a bit more, and should we visit the west coast, we should certainly make it a point to see you and Philena.

In our recent city primary, we renominated for mayor, C.B. Russell, who has already served three 2-year terms. I look for a reasonably active future for Lawrence following the war. We are planning to take care of our returning soldiers and hope to make Lawrence a better town in which to live, in which to rear a family, and in which to conduct successful business and industrial enterprises.

God bless you and keep you.

Cordially yours,

W. C. Simons
