Mr. Wm. E. Ege,
325 N. P. Street,
Muskogee, Oklahoma.

Dear Mr. Ege:

I was very glad to receive your letter of the 17th and that your many friends here might know about your present good health, we ran a little story on the first page of the Journal-World, which we enclose herewith.

With thirteen Baptist churches in Muskogee, it ought to be a good town.

While I have ten grandchildren I shall have to wait awhile for great grandchildren and it will be a long while before I can match your record.

Thank you a lot for the excellent picture of yourself.

Cordially yours,
