Dear Mr. Simon-

Thanks for your letter
and the kind words - Glad you are
escaping this hot weather - We head
north Sat. a.m. early - We go up on
71 to Turtle River. Hope the fishing
has picked up at Gull Lake -

The Rev. Geo. C. Fetter has
accepted our call at 3200 - $3\frac{1}{2}\%$
of his retirement pay - and probably
we should pay moving charges - your
pulpit Comm. is well pleased and
the Congregation's reaction was good at
least there were no votes against him.
He is a good sound man and a
Northern Baptist. He's not dynamic but
I'm sure all will enjoy them - His
wife was not along but references spoke
most highly of her - one daughter a Univ.
soph. - one girl married - They lost their only
boy in service. Now good luck and good wishes to
you both - and Dolph's boy - wife -
