

Asking me for proxy to vote
my stock. From your report
I realize they have been able
to do this. But made no
favorable reply to my request
I think it might be advisable to
put the account in hands of
G.A. McKelley. If you receive
no favorable reply, The \$2,000
would help me toward my hospital
bill which is large.

My mind is clear. Give my
best love to Gertrude, Grace and
Don. I still can not move my
left side without great pain.
I shall hope to see you and pray
to be better by that time. I have
much to be thankful for please
write Grace and Don and tell them how
much I love them. Mrs Olson is writing
as I cannot sit up in bed.

Your Loving Cousin William
