Dear Belie:-

Enclosed you three receipts  
for Insurance Premiums.

Well another beautiful  
bubble has faded away as  
I just returned from an  
inspection trip to New Mexico  
where I found the Old fool's  
Gold & Silver Mine was not

up to representations so we  
left him to chase jack  
rabbits for a living and  
will forget another dream  
but "Aunt we got fun"

— Hope all the folks  
are well and happy
