Mr. Roger Williams, Postmaster
Post Office
Lawrence, Kansas

Dear Roger:

I referred to our City Directories of 1886 and 1893 and I do not find the name Oliphant in either book. The only Drug Store, which remains in the same family is that of Perry Barber. I tried to call Perry, but got no reply.

If you wish to give me the letter, we might make a news item that would bring results.

Cordially yours,

WCS:ebp
