obligations to you — I know I
borrowed some money with
the understanding that I was
to return it so much for worth
and only made a few payments
and then was caught to pay
an Agents account and borrowed
Eight hundred more and then figured
up interest etc and made a new
demand note last Nov. 15th and
the interest will be paid on same
May 15th coming.

You will also remember I
explained to you that I was
called upon to pay regular
payments on the amount I am
using from Conpany and that
it would prevent me making
