don't think I will go out-
nothing I can do.

Tuesday AM. I had a pleasant
surprise - while eating my
breakfast - some one reached
over my shoulder and kissed me.

That was Lillian. She and the daughter
who called upon you Mr and Mrs Lemonth
were driving to Wash. D.C. to see Grace
her daughter - They will be back there
here later. They came thru Lawrence and
I told Lillian if they went back that way
