

April 24, 1947

Dr. F. C. Allen  
831 Louisiana Street  
Lawrence, Kansas

Dear Dr. Allen:

Upon second thought I felt that it would be entirely unfair to you to ask you to treat Mrs. Simons so soon after your return; so I made arrangements to have Dr. Eustace adjust her sacroiliac. In checking her this morning, I found that the displacement was apparent.

Sincerely yours,

W. C. Simons
