

April 9, 1947

Mrs. Kathryn Drought
1417 N. Blackstone
Jackson, Michigan

Dear Kathryn:

I sent you in yesterday's mail a copy of a photograph taken since our return from Florida. My friends said that I looked well and rested, and I thought it might be a good time to have a picture taken. Undoubtedly, my hair has whitened up a lot since you saw me.

I hope that you are improving in health. Give my love to the other members of the family.

Lovingly, your cousin
