To whom it May Concern:-

It gives me pleasure to say that the bearer, Mr. Kenneth Constant, is a fine young man and comes from a good family. He is a man of good habits, pleasant manner, is well educated and has the energy and grit to go after business as well as the ability to handle it.

These things I know because he was in our employ for half time work while attending the university of Kansas. He not only solicited advertising, but also proved himself efficient in preparing copy.

Respectfully

W. C. SIMONS,

President of The World Company.
