cement the holes so took along some  
cement to try it - it works.

Collie you certainly know about  
what I need - and since appreciate  
your choice - I figured on getting  
something out there - and found  
nothing. The girls gave me a long  
list of things to get and send out.  
and I'm doing that to day as we  
close on Wednesday - and I'm going to St. L.  
Julia had an operation the day  
before I got there - was pregnant and was forming
