

Dear friends;

I rejoice with you that the sufferings of your loved one is over.

She was such a lovely sweet friend to me as she was to so many others and I shall feel her loss deeply.

In spite of her many illnesses her years were so full of kind and thoughtful deeds, and for you who shared her life so intimately, her life must have been a real benediction.

May you all be given strength and courage for this hour of sorrow and to live the kind of lives she would wish for you in the future.

With understanding sympathy,
Grace Bruner.

In this, your hour of shadows
When your loss is
hard to bear,
May you find comfort knowing
There are those
who truly care.
