My dear Brother -

I have written you each Sunday since I last saw you so do not wish to break the rule although I am making Olieb House sand-whiches in the kitchen - I am also making quinn turkey etc. wish you were here to have me with you. Glad you are with Blag^{and} and family. Hope the Kansas matter is not too close yet.

Ruth is home now but has to be very careful for sometime. She had an appendicitis and it had ruptured and thrown pieces into her system. She will be better than
