Friend Simon-

W. R. Evans. 7/4/23
4039 College Ave

In writing you yesterday I did not include acct of my adobe for - Want add on H. H. Woods as I did not have the amount - Have Miss Tate mail me statement & will remit - (That mailed 7/7/23)

We attended Dr. Evans Church today & listened to a good sermon - Not much better, however than we hear every Sunday in Lawrence - but it was the Weekly Financial Statement that impressed me & I am enclosing Bulletin & refer you to bottom of 3rd page. We met a number of our former K. C. friends & read a cordial welcome by each.

All well as usual except M. C. has been troubled with neuritis in her left shoulder & arm & have had to carry it in a bandage the past week -

Glad to say she shows signs of improvement today. M. C. & the girls all join in kindest regards to you & care of your family.

Respect Yours
