

DR. J. RUSSEL WICKEY
29 Public Square - Phone 131
BELLEVILLE, ILL.

They only serve one meal from
4:30 to ten o'clock. He flew out and back,
but Muriel says it's his last flight.
She don't like it.

I know you enjoyed your vacation
all the family there.

The office girl didn't expect me back
until after Labor Day and the appointment
book is full for a while.

Love to all
