

Sunday Sept. 12/48.

Dear Gertrude: - We think of you

often - I miss your nice newsy letters and I am hoping it will be long before I get one again. We have no late news of you. But "no news are good news" and we trust this is true in your case. I am sure you are all glad to have a break in the weather. It will be long now until the lovely Autumn weather will be in and you will enjoy that. I always loved the Autumns and Springtimes in Lawrence.

We have had a wonderful 9 days with our good friend Mr. Angus Mitchell. He is one grand man, and I hope Lawrence may have a chance to know such a fine World President. Even if they have to go to Kansas City to meet him. He has a wonderful message for Peter and I do not know if he is a real missionary to us all. He did not know what 1949 program has in store for him. He might even come to Lawrence if the invitation was strong enough - and it would be a great

news for Lawrence Rotary. I do not know if you suppose the grand daughter is married. I trust John happy. So many of our friends children are getting married these days. Our son is still a bachelor. Our baby is fine. We hope have a little playmate. The spring will be a brother or sister for me. He is a precious child - now it is time to go to church.
