

2-

MERVIN T. SUDLER, M. D.
LAWRENCE, KANSAS

a physician becomes he
faces eventual failure
and tragedy -

It seems to me your
philosophy and outlook
is sustaining you to
an enviable degree -
mine has almost failed -
I still agree with Mother
Catherine - the fine old
lady who was the head
of St. Mary's Hospital for
children who said when
I went in to congratulate
her on her birth day
remarked - "You may wish
me a happy birth day but
