can fill our orders quickly.

A tube went out to Dr. Esterly for his self and one for his office.

The Government granted us a patent March 24 - serial number is 416830.

Dr. you see we are destined to become big soon - and the way orders are coming in we will be pushed to the limit.

Our only handicap has been money - ~~uses~~ here only gone as fast as the money would allow us. We are ready to shoot out do not owe a cent.

I wished you were mixed up with us
