them yet as there are others we may
make a better contact with.

We have not soaped any one to
come in with us. it has not been
necessary. I have made some

marvelous cures. just last week
I helped pack mine cases going to
mine marine hospitals.

We expect to market our preparation
direct to the public - carrying an 'ad'
in the 'Oral Hygiene' a dental magazine that
goes to every English speaking dentist on
the globe - furnishing a sample only on
request. In our literature we suggest
the patient go to the dentist and have the teeth
