Dear Mr. Simons

While Mrs. Gupler and I
~~are~~ spending a short visit with one of
our daughters, my eyes fell upon the
attached news on the Kansas City Star
of the passing to her eternal reward of
your beloved sweetheart, wife and mother
of your good family.

My mind goes back to the days when
from personal acquaintance I
marveled at your good fortune, and
matchless judgment, in captivating the
heart and soul of such an outstandingly
charming young lady.

Her leave taking will be hard for you and
those bereaved but I hope you will be comforted
with the reflection on the many happy hours
you have together shared.

What a jewel of Faith Hope and Charity
she must have lived with you all. May her soul
rest in the peace she so richly deserves.

Bob and 15th Emporium

Sincerely Albert H. Gupler

May our paths do not cross more often.
