Tuesday afternoon

Dear Dad -

Dad thought about you so much  
ever since we left and hope every  
thing is going along smoothly  
with you and at home. Dad been  
busy getting caught up on things  
that Dad let go for a long time -  
There's not much news here except  
that it is colder.

This morning our furnace  
got temperamental, also the water  
heater - and then to top it off the  
dishwasher - so I had the house  
full of roaches - However they  
seem to have gotten things under  
control for all are working now -

I am mailing you a package  
and you'll wonder what it is. The  
suit of underwear is one you asked  
for & patch. I got it home  
to it on the machine. It is pretty  
well worn, but I fixed it up so it  
will stand a few wearings - The other
