

thing is a clothespin bag I sewed  
up out of an old yellow tuck. Not  
very pretty but I believe will answer -  
the one in use is to be discarded -  
I tried unsuccessfully & by the way  
Lawrence - so this will do I believe.

The J. W. informed me that  
Dorothea is there. You will no  
doubt keep yr from getting too  
lonesome.

I'm still receiving notes and  
cards. Last night I wrote twenty -  
six and I still have about a dozen  
letters to write. & Manhattan  
he are going & the game - and will be  
Saturday & the game - and will be  
done next week for the 7th - I'll game  
so will see you then.  
Much love -  
Janet
