

may drive down to get her next week when
school is out. He will not stay - perhaps
not even over night - but will let you
know definitely later on when he decides.
Dad didn't make his trip to Topeka
as other things came up & interfere.

He will be awfully glad to have you
come to see us whenever you can. And
hope you will come often. Perhaps you
can come out and see one of the basket-
ball games. I think they play twice every
week after Christmas vacation - some
games are here and some away but
he goes to most of them, far or near.

Dad's trying to get some Christmas
spirit, but hasn't been very successful -
Perhaps it will grow as the time grows
shorter and Christmas is closer.

Lots of love - I'm always
glad to hear from you -
Janet
