

Sunday, I think it was 10.20 o my
clock was slow. I hope Mrs M. gave you
the message - that I did want you to come
for Christmas if you cared to. I'll understand
if you decide to go to Dad's & it's perfectly
all right, but you know I'd love having you -

I hope the Kings work out well. Let me
know how every thing is going & I believe Miss
Theresa might try it if you needed her -
She'd be the understanding kind & wants to
be sure it is the right situation. She said
it would be a change for you both & your
personalities would have to click.

I'm not sending any Christmas
cards, but will try to get packages off this
week - Wish we could all be together.

I miss Mother more every day -

I love you very much. You have
always been very kind to me & I think
we've had a pretty close understanding
for a father & daughter. I've always been
proud of you & now more than ever -

Congratulations on being re-elected
to Hospital Board. They need you there & it's a
wonderful work -

All my love -

Blanche -
