Mrs. Will Johns
1036 Connecticut Street
Lawrence, Kansas

Dear Mrs. Johns:

I want to thank you for your gift of delicious cookies. I feel sure that if anyone had a factory turning out products of this character that they would find a ready market. But there is something besides the ingredients necessary to make good cookies, and that is "the know how" which you certainly have in abundance.

Please remember me kindly to Will.

Sincerely yours

W. C. Simons
