Mr. Wes Roberts, Chairman  
Republican Central Committee  
Jayhawk Hotel  
Topeka, Kansas

Dear Mr. Roberts:

I have before me your letter of November 1 directed to Dolph. I appreciate your letter because I have long been a friend of your father and family.

For the past 12 years, since our youngest child was married, Gertrude and I had been together so constantly, that it is hard to re-adjust myself.

I thank you for your sympathy, and for the beautiful flowers which were sent through your courtesy.

Sincerely yours

W. C. Simons
