My dear Friends:

Gertrude appreciated the cards received from you during her illness, and I am sure they have meant a great deal to me.

Riley's poem is beautiful, but it is so hard for one to apply it when he needs it the most.

It was mighty nice of both of you to remember me at this time, and I thank you very much for it.

I hope that you are enjoying and will continue to enjoy good health.

Sincerely yours

W. C. Simons
